

BIO DATA

NAME: Adinath N. Doddamani
DESIGNATION: Assistant Professor
DEPARTMENT: Civil Engineering
BGMIT. MUDHOL– 587 313, Karnataka, INDIA
DATE OF BIRTH: 30/07/1987
ADDRESS: Near Desai Wada, Jamakhandi
Bagalkot – 587 301, Karnataka, INDIA
E-MAIL: adinath.nd@gmail.com
GENDER: Male

EDUCATION DETAILS:

Qualification	Specialization	Institute	Year of Award
M.Tech	Structural Engineering	BEC, Bagalkot	2012
B.E.	Civil Engineering	VTU	2009

Title of M.Tech Thesis: Elastic Properties of High Performance Concrete

Title of B.E. Project: Mechanical Properties of High Performance Concrete

AREAS OF INTEREST/RESEARCH: Concrete Technology, Analysis and Design of RCC structures.

ACADEMICS:

Sl. No.	Subjects Taught
1	Elements of Civil Engineering and Mechanics
2	Surveying-I /Basic Surveying
3	Structural Analysis-I/Analysis of Determinate Structures
4	Structural Analysis-II/Analysis of Indeterminate Structures
5	Numerical Methods and Applications

EXPERIENCE (In Years Teaching/Industry): 07

WORKSHOPS ATTENDED:

Sl. No.	Name of Workshop	Venue	Date (No. of Days)
1	Two week ISTE workshop on Engineering Mechanics	KLE's CET, Belgaum	26/11/2013 to 06/12/2013
2	TEQUI 1.3 Sponsored Five Days Faculty Development Programme on "Implementation of Outcome Based Education in Higher Educational Institutions"	SIT, Tumakur	08/7/2019 to 12/7/2019

3	TEQUI 1.3 Sponsored Five Days STTP on “Analysis and Design of Live RC Structures by using 3D Modeling Software”	BGMIT, Mudhol	25/07/2019 to 31/07/2019
---	---	---------------	-----------------------------

ACHIEVEMENTS:

1. Final year student project on “Experimental Study on Geopolymer Pervious Concrete” selected and received grant in 41st Series KSCST Student Project Programme.
