Projects: (2024)

One year project on a “**Comprehensive Analysis of Liquidity and Profitability of selected Automobile Companies**”.

Analyzed secondary financial data of selected automobile companies by calculating key liquidity and profitability ratios. Conducted comparative and trend analysis to evaluate financial performance and draw strategic conclusions.

Internship: (2024)

Completed a **“Finance Internship at Fine Tools (India) Private Limited, Bangalore”**, where I gained practical exposure to petty cash recording, preparation of bank reconciliation statements, and GST filing procedures. Acquired foundational knowledge of financial operations, statutory compliance, and basic SAP accounting systems in a corporate environment.

Training/Courses

1. Fundamentals of Taxation
2. Data Analysis by using Excel
